2. Dogs must be under strict control at all times while in the property and must not be left alone in the cottage at any time.
3. Dogs are only permitted in the Living Room / Kitchen area of the cottage and must not be allowed in the Bedroom and Bathroom.
4. Please do not allow your dog to lie on furnishings or to chew or scratch the furniture.
5. Please clear up any fouling of outside areas without delay.
6. Please ensure that your dog is clean and dry before entering the cottage.
